"Pioneer" Gal To Hit The Air Lanes

In case you get the wrong impression from the above heading, we'll do a little explaining. That "Pioneer" business just means that she works (?) part time in the office of the Didsbury Pioneer and is editor of the high school column "Chitter-Chatter," which appears on the back page each week.

The reason for her getting all the publicity this week is the fact that she's going to switch to radio work for one day this week and handle the chores of a disc jockey on Calgary radio station CFAC from 2 to 4 p.m. on Saturday, June 15th.

It's the "Saturday Salute" program, and the radio station boy or girl is left to school authorities to take their pick from students who are attending classes from grades nine to twelve.

Our correspondent (we like that phrase), is now taking her grade 11 course at the local school and she won't say just what she plans to do after she has graduated. But we feel confident she'll pick the right spot to further her education.

Born in Calgary in 1941, she has moved to several points with her family; her father is presently manager of the local branch of the Royal Bank.

CREMONA NEWS

(From Our Own Correspondent)

Mr. and Mrs. Williamson of Carpairs called on Mrs. M. Reid and the Percy Birds last Sunday.

Mrs. B. Reid left last Tuesday to visit relatives in Massachusetts and New Brunswick.

Mrs. Jim Watt, Mrs. Van Haaf-ten and Mrs. Charles Bird are attending a Civil Defence course for nurses in Edmonton this week.

Several from this area attended the Strawberry Tea at Dog Pound last Friday evening.

Mr. Doug Bird is a patient in Didsbury hospital, suffering from pneumonia.

Misses Marjorie Bird and Myrtle Reid took their music examinations in Olds on Tuesday of last week.

The Vair and Alan Reid families, and Mr. Reid Sr. spent last Saturday in Banff.

Mr. and Mrs. Jim Watt and Mrs. Van Haaf-ten spent two days in Edmonton last week.

The Cremona W.A. met at the home of Mrs. Ehrenreich on Friday, June 7th. Plans were completed for the annual Strawberry Festival, to be held in the United Church basement on June 19th, from 3 to 6 p.m.

Mrs. J. Lane was substituting in Mrs. Bennett's room for four days last week while the latter teacher was ill. Mrs. Lane Sr. of Calgary, spent the week at the J. Lane home.

Cremona high school boys' and girls' ball clubs played in Sunapee last Friday, but the rain fell and postponed action. Good thing, too, Sundre was ahead.

Mr. Walter Murray, the student minister, plans to conduct Sunday school classes and evening service every Sunday evening in the Water Valley school.

The T-H Calf Club Show and Sale, held in Carpairs last week, returned the championship to this district. Owner of the grand champion was Miss Francis of Carpairs; second prize was won by Don Bird; third by Heather Thompson. Jackie Wigg was the \$25 donated by the McBain Bros. for the best Hereford. Gary Taylor won first prize in the competition, and Barry Thompson won first prize for the best groomed calf.

BIRTHS AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. Gerald Trick, of Carpairs, on June 6, a daughter.

To Mr. and Mrs. N. St. Jean, of Olds, on June 8, a daughter.

To Mr. and Mrs. Gordon Dyck, of Carpairs, on June 8, a son.

To Mr. and Mrs. P. Johns, of Didsbury, on June 9, a son.

To Mr. and Mrs. W. Fyten, of Sundre, on June 10, a daughter.

Westcott Sr. W.L. Hear News Of Conference

Westcott Sr. W.L. met at the home of Mrs. R. MacFarlane on Thursday evening, June 6, with 13 members and three visitors present. Roll call was answered with "Wash clothes for our own hospital."

Mrs. H. Goetjen was named delegate to the constituency conference to be held June 15 in the Didsbury United Church. Mrs. A. H. Hogg from Rugby W.I. will kindle the torch for W.L. and give highlights of the Edmonton convention. She was presented with a small gift.

Mrs. Raymond Shantz and Mrs. Cliff Eckstrand were successful in winning a prize in Edmonton. Fern got first for her rug and Beasie a second for her tea cloth in cross stitch.

Mrs. Clarence Rhinehart demonstrated to the gathering how she goes about making her French pastel pictures. Within about half an hour a beautiful fall scene was created. This picture will be on display at the conference.

SPRINGSIDE NOTES

(From Our Own Correspondent)

Mr. and Mrs. Art Jackson and family were Sunday visitors with Mr. and Mrs. Lawrence Chandler.

Sunday supper guests with Mr. and Mrs. George Innes were Mr. and Mrs. Art Chamberlain and family.

We are pleased to see Mr. and Mrs. Chamberlain Sr. back on the farm.

The last meeting of the Spring-side Day Club was held June 6 at Mrs. Peterson's. There were eight present and Mrs. Kershaw was the lucky prize. Mrs. Roeth conducted two contests, with prizes going to Mrs. Art Jackson and Mrs. Lloyd Kershaw.

We are all glad to see the lovely rain, and now comes the sunshine. Mr. and Mrs. Lloyd Kershaw and Marion called at the Stan Jackson and Ben Kershaw homes on Sunday.

Letter To The Editor

Editor, The Pioneer.

Dear Sir:

I have been asked to write a note to your paper to protest the many letters mailed to the West Coast office, which carry insufficient postage. Addresses in this district have been paying the penalty now for some time. Most business letters carry only a four cent stamp, where a five is required.

The trouble seems to be that the big mistake is addressing letters to Didsbury, when they have to be redirected, and sent on to Westcott. That's where the penalty takes place, and rightly so.

Businessmen and others writing to anyone who gathers their mail at Westcott are reminded again that it requires a five cent stamp for sealed envelopes.

Thanking you,
A WESTCOTT RESIDENT

Father's Day

Father is all dressed up in his Sunday best, sitting in his easy chair, taking a rest. While the boys are all out doing the chores. And mother and daughter are washing the floors. The old boy is looking quite happy and gay.

For as you must know, it's Father's Day!

The Old Man usually gets up at the break of day. To milk the cows, and feed them hay:

To take the hogs, and feed the chickens. While the boys are sleeping like the Dickens:

And Ma and daughter are still in bed.

With curling pins stuck around their floors.

I wish I could make a law to say

That every Sunday is going to be Father's Day:

And Father will be able to stay in bed.

With the rest of the family getting up instead.

The boys will have to do the chores.

While Ma and daughter scrub the floors.

(And another friendly nod to

Mr. E. Coombes of Big Prairie, Alta., for this very timely observation. We agree, but we will the rest of the crew we live with co-operate?)

ZELLA NEWS NOTES

(From Our Own Correspondent)

A picnic, sponsored jointly by the P.U.A. and the Zella community, will be held this Friday, June 14th at 12:30 at Zella. Picnic dinner at 12:30 with names and softball to follow. A cordial invitation is extended to all.

We are glad to see Herman Ness out and around again after being away for five weeks with a heart ailment.

Mrs. Holger Christensen has been a victim of the German measles. She is again confined to bed with a relapse.

There will be no church services at Zella the last week in June nor the first two weeks in July. On July 1st, Mr. J. Jackson of Sundre will celebrate 60 years as a lay minister and will conduct services at Zella.

Miss Twila McCoy was feted by

a large number of friends recently at a miscellaneous shower in Knox church parlour. The guest of honor received the gifts in a gaily decorated basket, presented to her by her twin sisters, Betty Lou and Mary Lee on behalf of those present.

During the evening a short program was enjoyed, as the bride was seated before a table decorated with spring flowers, a typewriter and a miniature train. Miss Marjorie Nuss and Mrs. Jean Querin assisted the bride-elect in opening her many gifts.

A lovely lunch was served by the W.A. who acted as hostesses for the evening.

Chitter-Chatter

By Our High School Scribbler

A very successful Achievement

Day was held on June 5th, for the

home economics and shop classes.

The evening commenced with a

show by grade nine, ten and

eleven girls, commented by

Misses Evelyn Slawson and

Carol Lenox.

Mr. Kinnitt was presented

with a corsage by the past pre-

ident of the Home and School As-

sociation, Mrs. Reid Clarke, for her

work with the girls and her co-

operation with the association.

During the fashion show, Ann

Snyder, Evelyn Slawson and Dor-

othy Reinhards played the piano,

and Else and Lena Engel sang a

duet during the show.

Following the fashion and hand-

craft display, tea was served by

the Home and School group.

At this time, woodwork was on

display in the shop rooms.

Norman Reimer, Paul Neufeld, Wayne Stauffer, Ken Penner, Cliff Scott, Andrew Fletcher, Mervin Neufeld and Eddie Ford won the prizes do-

nated by local businesses for the

best work in the various

shops.

Congratulations go out to Mr.

Kinnitt and Mr. Blore, as well as

their students, for a very enjoy-

able and interesting evening.

Who Pays For
ADVERTISING

NOT the newspaper reader, because he saves both time and money by shopping the wide selection of honest values offered through the advertising columns. NOT the advertiser, because advertising always returns a profit when it is used correctly and consistently! NOT the publisher, because of the hundreds of firms who profitably invest hundreds of thousands of dollars in newspaper advertising!

Every Line of Advertising in The Paper Is Paid For By The Fellow Who Doesn't Advertise!

The business which the non-advertiser loses pays the costs of advertising and ALSO returns a nice profit to the fellow who does advertise! HOPING for more business is not as effective as inviting more business!

And A Friendly Nod . . .

To graduates who will pull up stakes from the Didsbury High School at the end of this month and move along the trail that we like to call life. It's been a long trail so far, but it's a never-ending one. There'll be lots of bumps, and lots of bruises, in any trail you wish to follow, but we hope and trust you'll surmount them all. We'd just like to be around some day when you meet with your old school pals and hear that remark, "Remember when we . . . ?" Go your different ways grads; do your different things, but never be indifferent to your school years. Even we can "remember when we . . . !"

Paving or Poothing? — that is the question. The Board of Trade and The Town Council have been holding huddles on the suggested road paving program and it seems like it could be a good deal if the estimated costs prevail. It's going to cost all rate-payers some money but the businessmen will carry the big load.

And A Friendly Nod . . .

The Didsbury Lions Club and all its faithful supporters who will see work start on the rest room within the next few days (if it isn't on the way already). There is still not enough chips in the bucket to pay the initial building costs and those who intend to assist in any way are asked to take a check, and a cheque to Fred Evans at the town office, or any member of the Lions Club.

About 95% of Canadian children are deprived of fluoridation by a small but loud minority — most of them without medical or dental qualifications — who call fluoride "rat poison" and scare voters away from a benefit comparable to vaccination. The pasteurization of milk, which was disclosed in Liberty magazine this month,

Although a recent Gallup poll showed 41% of Canadians wanted it, only 5% have what the experts term a safe means of preventing dental cavities, which afflicts 98% of Canadian children and cost us \$72,000,000 a year, says the magazine's associate editor, Robert Walker.

Advised by such responsible authorities as The Canadian Dental and Canadian Medical Associations and the Health League of Canada, fluoridation has proved its worth in the U.S. and in a ten-year period trial in Brantford, Ont., where sodium fluoride was added to the water in 1945. But only 25 small communities — about 5% of our 16,000,000 population — are drinking fluoridated water. Only two Canadian cities of any size fluoridate their water supplies.

However, anti-fluoridation "crackpots and rattlepates" blame fluoridation for sex crimes, idiocy, ruined teeth and import score literature from the U.S. One Vancouver pastor wrote a pamphlet entitled: "Fluoride: The Poisoning of a Whole Race." He feels fluoridation is a Communist plot to undermine Canada. A fanatic Toronto woman claims it is engineered by aluminum companies to sell waste products.

Whether these "advertisers" or sincerely confused laymen, they are doing Canada's children much harm by keeping fluoridation out.

CHRISTIAN SCIENCE

The healing and protecting power of effective prayer will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "God the Preserver of Man."

Scriptural passages will include the following from Psalms: (145:18, 19): "The Lord is nigh unto all them that call upon him to all their need; he will hear their cry; he will fulfill the desire of them that fear him; he also will hear their cry, and will save them."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will be among those read (23:18): "The Lord healeth the sick; they are healed, for no other power equals the infinite All-power; but God, Truth, Life, Love, does heal the sick through the prayer of the righteous."

The Golden Text is from Hosea (12:13): "By a prophet the Lord brought Israel out of Egypt, and by a prophet was he preserved."

BLOCK OUR OIL

For the first time since the American oil lobby became active the aim is to curb Canadian and Venezuelan shipments to the United States as well as those from the rest of the world, says the Financial Post. Until now, for trade and defence reasons, these two exports have been regarded as in almost the same category as domestic producers.

Washington is hearing the same old story that is spread around every time there is a new U.S. administration: fear it may have to face a little healthy competition.

President Eisenhower is being told that rising imports from Western Canada threaten the existence of independent U.S. producers whose contributions would be vital in war.

It is hoped that before he acts he insists on getting the full story. If he does, he will find that in oil and oil products actually Canada is importing more from the United States than it is exporting to the United States and that in any future war the United States will be at a disadvantage. In other words, Canada's resources in other areas are as important as its oil.

TAX REFLECTIONS

Regardless of how they may disagree on the rate of income tax, most Canadians as they filed their returns, will admit that the administration of this big and complicated business has been remarkably clean and efficient. In sharp contrast with some other countries that might be mentioned, there have been very few scandals among federal tax officials here.

Undoubtedly one of the major reasons contributing to this good record is the rigid set of rules that apply to the public and private conduct of every income tax inspector.

On another point, too, the taxpayer is well satisfied with a good deal of satisfaction. Not a other government department and probably few private agencies collect so much for so little.

Some five million Canadians file income tax returns. It costs \$1.00 to collect \$100 or \$25 million to collect the \$2.5 billions total this tax brings in.

LIGHT YOUR WAY WITH BIBLE STUDY

A great American general, shortly after the war, wrote to a friend: "By profession I am a soldier and take pride in it, but I am infinitely prouder to be a father. My hope is that my son, when I am gone, will remember me not for battle, but in the home repeating with him our simple prayer, 'Our Father who art in heaven.'"

What a different world this would be if all fathers would be able to say: "I am a laborer, a truck driver, a banker, a lawyer, a judge, a member of parliament, but when I am gone I hope my son will remember me only as a father repeating with him our simple prayer, 'Our Father who art in heaven.'"

What the world needs today, above everything else, is a generation of Christian fathers — men who are able to stand in the presence of God through faith in Jesus Christ. Yes, men who have heard, and are determined to heed, the in-sistent command of God: "Ye fathers, bring up your children in the nurture and admonition of the Lord."

Like father, like son! The son is the reflection of the father. Our current wave of delinquency is largely a result of deafness on the part of the fathers. Father, take a look at your son. Are you proud of him and his actions? If not, better take a look at the example you have set him.

And further, we can not "take out our religion" in our children's name. We have to take the religion of our own home and not do it send our children to church or Sunday school. We must bring them Father, does your son go to church? If not, what kind of example did you give him? And finally Father, remember, you want to be with your son, not only here but in eternity. Hence, say with the faithful Joshua, and also live these words: "As for me and my house, we will serve the Lord."

NONCHALANCE . . .
The ability to look like an owl when you have behaved like an ass.

Farmers' Day, June 14th . . .

Farmers' Day comes around in June.

With the hum of the busy tractor tune, There's cows to milk, and pigs to feed, And that back forty, still to seed.

So how can the farmer, lose a day, Even though it's Farmers' Day.

Now if the city fellow would come out to the farm, I am sure it would do him no harm,

He could get out there early in the morn,

And feed the chickens their ration of corn;

He could milk the cows, and give them some feed,

And then go over to the back forty and seed.

While the farmer could stay a while in bed,

With a nice soft pillow under his head.

He could stay there until noon.

Listening to the hum of the busy tractor tune;

He could then get up and go for a spin,

While the city fellow finished putting the crop in.

So to the city fellow, I would like to say,

June the 14th is "Farmers' Day!"

FIRST 6-BUSHEL QUOTAS

On Friday, May 31, 100 grain delivery points in Alberta, as well as a smaller number in Manitoba and Saskatchewan were placed on a six-bushel quota. These were the first six-bushel quotas announced in the current season. The majority of the Alberta points were located in central and northern Alberta, where considerable space in many country elevators has accumulated.

At the same time a year ago 248 Alberta points were on six bushels.

Notes From D.A.

By HOWARD J. FULCHER

Every year there are insect pests which confront agriculture; this year is no exception. Firstly in the trees there was a lack of foliage in many bluffs and shelterbelts. This was caused by frost damage. In many of the shelterbelts damage was very severe, in others lesser damage with resulting rusty leafing.

There are two insects which are attacking the trees; the damage is very noticeable because of less leaf foliage on the trees. The aspen leaf roller is one, it causes the leaves to drop and all the excretion leaves to find a greenish worm in the leaf. Aphids are also present in some trees, they can become very dense and destroy the leaves; they can be found on the leaves, twigs and branches. Treatment in both cases is spraying for the leaf rollers. Fifty per cent D.D.T. two pounds in 100 gallons of water, for the aphids, 20 per cent 20-20 in 80 gallons of water.

In the crops cutworms are present in many fields. They can be controlled in the seeded fields by spraying or dusting with 8 ounces of aldrin or 1/2 pounds of chlordane per acre. If spraying use 6-10 gallons of water per acre. The cost of spraying will be about \$1.00 per acre. The field may require reseeding and in this case wait until the cutworms are about 1 1/2 inches long; they soon stop feeding at this stage and a successful crop can be grown.

In summerfallowing, precautions may be taken to prevent cutworms from attacking the seedbeds. western cutworms do not cultivate between August 1 and September 15, as the moths lay their eggs at this time. For red-backed cutworm have the field free of green growth as moths lay eggs near green plants.

Irving - McCoy Nuptials Held Here June 1st

Knox United Church, Didsbury, decorated with bouquets and banks of lilies, was the scene of a pretty wedding on Saturday, June 1st, when Miss Twila Marguerite McCoy, second daughter of Mr. and Mrs. Walter McCoy, became the bride of Mr. John Stuart Irving of Red Deer, only son of Mr. and Mrs. R. H. Irving of Fleet.

Mrs. C. Leeson, at the organ, rendered the wedding music and Mrs. John Irving of Bowden, an elder of the group, sang the "Wedding Prayer" before the ceremony and "O Perfect Love" during the signing of the register. Rev. T. J. Stainton officiated.

The bride, given in marriage by her father, wore white lace over pleated nylon net, in ballerina length; her finger-tip veil was held in place by a tiara. She carried a white rose bouquet of rosebuds and lily of the valley.

Mrs. James Taylor of Calgary attended the bride, dressed in yellow lace and nylon net, and carried a bouquet of pink carnations and rosebuds. Jane Elizabeth, four-year-old sister of the bride, flower girl, wearing pink pleated nylon and carrying a nose-rose of yellow carnations and rosebuds.

Mr. James Taylor of Calgary was best man. Ushering were Mr. Lorne Anderson of Olds and Mr. Miller McCoy of Didsbury, a brother of the bride.

The wedding reception for 80 guests in the church parlour, the head table was centred with a wedding cake made by the bride's grandmother, Mrs. W. J. (Daisy Mae) McCoy and decorated by her aunt, Mrs. Harold Shells. Bouquets of lilies, streamers and pink and white bells completed the decorations.

The bridal toast was proposed by Mr. G. L. Cammerott of Rockyford, uncle of the bride, to which the groom fittingly responded.

Telegrams were read from friends and relatives who were unable to attend.

Following a wedding trip to Great Falls, Mont., Mr. and Mrs. Irving are now residing in Red Deer, where the groom is employed as a telegrapher with the C.P.R.

MAKES SENSE ?? ?
The Drumheller Mail asks... If you stood waiting for a train, would you pick up a heavy suitcase before the train pulled into the station? Use the same good judgment when you travel. Don't refuse to tote around several sets of worries at the same time. Don't drag about with you the accumulated disappointments of thousands of yesterday's — plus the fears of untold tomorrow's.

They add up to a crushing burden, can wreck body and mind. Life is too short to be constantly worrying before you reach them or carrying over split milk. Nine out of ten things you worry about never happen or are not as serious as they seem.

"BARGAINS"

Everybody wants a bargain. Nobody ever actually gets one. No one ever gets something for nothing. There is always a rebound of some kind or other. When the balance is disturbed, so one gets more than value, someone else always gets less. This is never good for either.

There is a story told about the Rev. Thomas C. Beecher and his boy selling lemonade. One hot summer day when out visiting, or on business, he found a boy selling lemonade. He drank a glass and paid for it. The boy took three cents only. Later in the day he found another boy selling lemonade. He drank another glass of lemonade and gave this boy three cents. The boy replied, "He said his price was five cents a glass." Mr. Beecher asked, "How is it your competitor up the street sells it for three cents and you ask five cents. Don't you think he will get the business?" "Oh, but a puppy fell into his lemonade," replied the boy. It is said that the following Sunday Rev. Thomas Beecher preached on the subject, "Beware of Bargains."

First, let us consider the matter of getting an education. "There are no royal roads to learning." He who reaches the top, first must climb the ladder. Here one gets what one pays for and not one bit more.

There are colleges where one can buy a degree. One gets a certificate of completion and a few letters after his name. But who would say a fellow has more education because he has gone through that experience. Somebody on being asked what D.D. stands for was told, "Dead Dog."

Education can neither be bought nor sold, it is gained by self effort. It can not be "procured without the costly scrip of laborious study." Somebody can buy a certificate of putting it over the teacher. No one ever actually puts it over the teacher; all one does is put it over himself. Nature cannot be cheated or deceived. Making the grade that way is like getting the puppy in the cheap lemonade.

One cannot get a character bargain. There is no place where character as such are bought and sold. They are always on the market, but the price to whom they are attached. In the moral world there are no discounts, no half price sales, no bargain basements. One's character is always paid for at par value. It is the product of one's moral energy and never an un-earned increment. It is the fruits of a personal struggle and the result of not getting from the gods or from any other source of benevolence. Whether a person is good for something or good for nothing, depends on how much he is prepared to invest in himself. Grace never takes the place of struggle and expended effort. Grace is at its best when we are busy working out our salvation with a full heart.

There are no bargains in service. Someone said, "Speaking always takes it out of somebody, either the speaker or his hearers. Service always takes it out of the one serving because all worthwhile service calls for sacrifice. There is no painless, costless service. Here, as elsewhere, that which costs nothing is worth nothing and that which costs little is worth little and that which costs much can be priceless, meaning beyond price."

Life's values are never found among the cheap and shoddy efforts of men. Life's values are always found in devotion to high ideals, in tireless moral efforts and in services that require costly sacrifices. There is no service without the spending of life blood in some real way for some God-given purpose.

"Be not deceived: God is not mocked."

Whatevver a man soweth, that shall he also reap."

Dare we stop on this mad high-way of life and pause long enough to ask ourselves "What am I sowing?"

HELP NEEDED

A policeman watching a man who was having trouble unlocking his front door, walked over and politely offered help.

"If you let me have your key," he said, "I'll see what I can do."

"Thash all right," replied the other. "I'll handle the key. You just hold the house."

WINNERS ANNOUNCED
IN GARAGE OPENING DRAW

In a recent draw held to celebrate the opening of Klein's Service, the following were the lucky winners:

A. E. Stielke won a free oil change and grease job; B. Collinge received 10 gallons of gas, and T. Taylor, five gallons of gas.

TREES: Great concern is being experienced in some localities over the fact that native poplars and willows have not leafed out this spring. We have consulted with experts from the government forest station in Calgary and they tell us that a combination of conditions account for this phenomena.

Extreme cold weather in February caused a swelling of the buds in some instances. Also the frost experienced through this district on May 21 nipped others that were in bud and beginning to leaf out.

This may, they say, result in permanent injury to some of the very old trees, while the younger ones have survived. For example, all the poplars and maple trees are in some instances suffering from the presence of worms or aphids. In the case of worms on poplars, they attack only trees that are leafed out. They roll themselves tightly inside of the leaf where a spray cannot reach them. They are controlled with a water solution containing DDT 50% wettable powder. 1 lb to 50 gallons of water.

The DDT has a long residual effect and as the worms feed on the leaves they will take in the poison. With aphide poison must be used such as aldrin or malathion.

Spruce trees that are infested with spruce gall worms or the yellow headed spruce saw fly should be sprayed. Use malathion for spider mites and the worms if they are both present. If only worms are present aldrin will be satisfactory.

MORE TOURISTS
EXPECTED THIS YEAR

Canada's tourist industry will do an extra \$20 million worth of business this year, most of the increase to begin coming in late June. That's the informed guess of the Canadian Government Travel Bureau.

Basis: Americans are asking 30% more questions about vacations available in Canada so far this year than last.

Most of the increased business should be spread across the nation, but the Atlantic provinces will do better than the average.

That's because C.G.T.B. is spending an additional \$300,000 for advertising aimed at the Eastern U.S. tourist potential.

The expected increase in U.S. spending should bring the U.S. total for the year to about \$330 million, up substantially from last year's record \$308 million.

Number of individual entries into Canada isn't expected to rise much above the 27.7 million figure of last year. But it's hoped the tourists who come will stay a little longer. Average length of stay has been three to four days.

District 4-H Clubs Hold Show And Sale

Eighty-eight calves from 4-H Clubs went on show and sale at Cartairs Wednesday of last week. Clubs from Cremona, East Didsbury, West Didsbury, Olds and Cartairs were judged by Elton Chisholm, secretary of the Western Stock Growers Association, and Jack Kerna, district agriculturist at Brooks.

A new feature of the show was a Pee Wee class for those too young to be eligible for 4-H membership. Fifteen calves were entered in the new class.

The champion calf of the show was an Aberdeen Angus, weighing 850 pounds, shown by Marjorie Bird of Cremona. The champion was bought by Adams, Weller and Weller for 40 cents a pound.

The reserve champion was a Hereford calf shown by Mary Jean Francis of Cartairs. It was purchased by Jenkins Ltd. for 29 cents a pound.

Club standings were as follows: Cartairs Club, 19 calves; 1st, Mary Jean Francis, Owner; Francis, Bob Sheehan, Showmanship; Barry Ray, Bob Sheehan, Mary Jean Francis.

Cremona Club, 16 calves; 1st, Marjorie Bird, Don Bird, Heather Thompson, Showmanship; Barry Taylor, Don Bird, Little Bentz.

East Didsbury, 12 calves; 1st, Doug Brander, Alfred Hanson, Gar Good, Showmanship; Doug Brander, Ann Shells, Eleanor Char-

ton.

West Didsbury, 13 calves; 1st, Ronald Levgood, Roger Hosegood, Jean Levgood, Showmanship; Lillian Hosegood, Lila Blain, Roger Hosegood.

Olds Club, 14 calves; 1st, Marvin Latimer, Myrna Empey, Janet Graham, Showmanship; Gordon Platt, Marvin Latimer, Jim Fisher.

Pee Wee Class, 15 calves; Bevan Wray of Cartairs, 10 years old; Linda Levgood of Cartairs, nine years old; Jean Hosegood of Didsbury, nine years old; Showman-

ship; Lloyd Michel.

Special awards from the Hertford Association for the best calf in the show went to Marjorie Bird, Cremona.

Special from the Cartairs Chamber of Commerce for the best

MAY MEETING OF MUNICIPAL DISTRICT SERVICE BOARD

Following is a run-down of the May meeting of the Agricultural Service Board, M.D. Mountain View No. 49.

It was decided to continue the method of weed control along roadsides, as in former years.

A field tour will be conducted by board members on June 24 to look over the problem fields in the district. Mr. Phillips of Brooks will also be called upon, regarding methods of operation in that area.

On a motion of Reeve Wm. J. Bagnall, it was decided that sodium chlorate would be available to farmers in the district again this year.

The field supervisor gave a report on the recent field supervisors' conference held in Edmonton.

Next meeting of the board will be held Wednesday, June 26th.

FARMERS' DAY - JUNE 14TH

Farmers' Day, June 14, has been declared a statutory holiday by the provincial government. It automatically becomes a holiday for all schools and provincial government employees.

For others, however, a provincial statutory holiday is not necessarily observed unless proclaimed by the city, town or other local government.

Champion calf, Marjorie Bird, Cremona.

Cartairs Chamber of Commerce trophy for the best calf in the Pee Wee class, Bevan Wray, Cartairs.

Special awards from Jack McCardell, Cartairs, for the best Hereford in Cartairs Club, Mary Jean Francis, Bevan Wray, Marjorie Bird, champion award for best calf in Cartairs Club, Mary Jean Francis.

A trophy from the Royal of Montreal, Olds, for best calf in the Olds Club, Marvin Latimer.

A shield donated by the Cremona Legion for best calf in the Cremona Club, Marjorie Bird.

The calves were sold by Charlie Routhier, Olds, and after the sale it was estimated that they would average about 20 cents a pound.

Generous donations were made

by the merchants of Didsbury towards prizes for the local clubs.

Early Diagnosis Most Important

Guest Editorial

ALBERTA HAS MANY TOURIST FEATURES

The Alberta Tourist Bureau encouraged all weekly newspapers to accentuate the tourist advantages of this province in some early issue. The author of this column feels that the idea is good. Many people just like to go some place, the place they go to is not so important, it is merely the fact that it presents a change, a challenge, from the ordinary everyday surroundings.

The same thing applies to thousands of other people who live outside Alberta. If you could draw an interesting word on your trip, they might pop up here to see Banff, to see the Columbia Ice Fields, to see the Alberta Oil Fields, to see the Buffalo herds in Elk Island Park, to see the Badlands on the Red Deer River, to enjoy our many lakes and enjoy our cool summer.

Sportsmen down in the States would pay big money to look at the thousands of wild ducks in the sloughs and lakes. They would spend a fortune to hook a catch of fish that go for the asking in many of our northern lakes.

Alberta has a very satisfactory system of highways now and no apology need be made for the accessibility of these places. A word dropped here and there, a picture displayed, a spirit of hospitality generously extended . . . these are the simple things that build up a real tourist industry.

— Camrose Canadian

EGG MARKETING POLL DELAYED

A plebiscite on the establishment of an egg marketing board for Alberta has been delayed until this autumn, according to an announcement made last week by Hon. L. C. Halmrast, Alberta minister of agriculture. Originally, the vote was to have been held in June.

At present, early detection is still the greatest weapon in the fight against cancer.

DISTRICT NEWS

M.V.B.C. NEWS

[From Our Own Correspondent]

The District Conference is a thing of the past and our many friends among the pastors and delegates have gone to their homes. The conference was ably conducted by Rev. Kenneth Geiger, general superintendent, with the help of Rev. H. A. Traub, district superintendent. Rev. W. A. Annett was appointed the new secretary of the year and was assisted by Rev. N. W. Swain of Edmonton. Rev. Annett will be coming to Didsbury to take over the duties of pastor of this church after the annual camp conference meeting, which convenes July 4th.

A few changes were made in the pastorate. Rev. Gordon Deller will move from Sundre to Winfield, B.C. Rev. Ray Shantz, of Didsbury will take up his duties in Montgomery Church after camp meeting. Mr. Ernest Neufeld has entered the conference as a probationer and will serve the church near Sundre, while Mr. John Hale, a spring graduate of the college, will assume responsibilities at James River for the coming year. He will begin his duties in September.

The board of directors of Mountain View Bible College held its second meeting of the year on Friday last. Mrs. F. Peers of Acadia Valley was added to the personnel of the board during the conference, and will take her seat on the board when it meets in February. President Taylor is at present holding revival services in the Acadia Valley Church, where Rev. Earl Archer is pastor. When he finishes there on the 23rd of the month, Mrs. Taylor and the children will move to their home for Winona Lake, Indiana, where Mr. Taylor will take a brief summer session in the Winona Lake School of Theology. They will return to Didsbury the latter part of July.

Miss Eby entertained Rev. and Mrs. H. A. Traub for dinner on Saturday evening.

Mrs. D. M. Taylor was hostess to the King's Daughters Society, and auxiliary of the Winona Mission Society, on Sunday for dinner. These young ladies have been under her supervision during the year, and all are of high school age.

More books are being added to the library all the time. At present, plaques are being prepared by the local printer to insert into all books that have been dedicated to the name of the donor. In this case the student project, making purchases of books possible this summer, will thus be recognized. It is possible that over 100 books may be added this year. Often friends desiring to memorialize loved ones who have passed away, would like to have their names recognized. If you would wish to do so, it would be well to contact the school to see what books would be most suitable for such a memorial.

Peter Waldin has again been given the position of director of the Good News program by the conference. You may want to keep listening to his program each Sunday morning at 7:30 a.m.

Little Keith Taylor received a number of very interesting birthday gifts last Tuesday afternoon, when he entertained a number of his little friends. A baseball and bat seemed to intrigue him greatly, for he spent most of the afternoon trying diligently to hit a very elusive ball for quite some time later in the day. 'Hell learn !!!'

Shrubs, flowers and gardens all evidence the gratitude plants feel when they receive such as we received within the past few days. It is an ever-increasing task to keep them all looking well in good appearance around the campus, but we appreciate them all. The garden, though small, is also progressing nicely.

FALLEN TIMBER

[From Our Own Correspondent]

Your correspondent made an error in the last issue, the item should have read: Miss Anita and June Monsey spent several days in Didsbury caring for their grandfather, Mr. H. Monsey.

We are sorry to hear that several of the Monsey children have very sore eyes, as has Gordon McGaffin.

Mr. and Mrs. Johnny Howton and family were supper guests at the home of Mr. and Mrs. E. Louiehead and family recently.

Miss Margaret Monsey spent the weekend at her home in Cremona. Mr. Harold Morrison was a visitor in the district Sunday.

The June meeting of the Busy Bees was held at the home of Mrs. Elsie Louiehead, with a very good attendance. It was decided to have a food table at the picnic, proceeds to pay for the ice cream for the children. It was also decided to have a barbecue at the same time. Ladies are asked to bring six pancakes, wrapped and with the price on the for the Fish Pool and indicate whether it's for a boy or a girl.

Mr. and Mrs. J. H. Copper were Calgary visitors over the weekend.

Mrs. Johnny Howton, Danny and Jeannie, spent the weekend in Calgary.

We are sorry to hear that Mrs. M. Admussen had the misfortune to fall and burn her hand quite badly on a stove.

Mr. George Tynor and Mr. Stan Morrison were Calgary visitors last Friday.

I salute thee Silent sentinel.
How well you do your task.
Now here, now there, now
everywhere.

Lo, a moment's slippish past.
Thou modern Mata Hari,
Thy guile is unsurpassed;
A master of thine art thou are.
With Machiavelli clasped.

But stay O Silent Sentinel,
I know thou meanest well.
It is thy means of recreation
Within this lonely dell.
Yet every word and every deed
Thou hast not right to tell,
So when ye touchest my life,
I'll murmur "Go to - - - !"

—Rugby W.I. Annual Picnic

Mrs. Alfred Cowitz was hostess for the June meeting of Rugby W.I. which was held in the hall. Members from the Westcott Jr. W.I. and the Zella W.I. were guests and were welcomed by the president, Mrs. M. Luft.

Mrs. A. L. Hogg, delegate to the Edmonton convention, gave a full report. Mrs. Bert Smith was chosen as delegate to attend the constituency conference in Didsbury on June 15.

It was decided to hold the annual picnic at Bowmen Park in Calgary on July 4th. A cordial invitation is extended to the Rugby district and to anyone interested enough to bring along a picnic dinner and eating utensils. Ice cream will be served by the W.I.

The guest speaker, Miss A. Nelson, a retired home economist, spoke on interior home economics and judging of handicraft articles. In connection with the latter topic Miss Nelson stated that perhaps the judging at the handicraft tea was done more strictly, as the judge was not a district home economist and thus not accustomed to W.I. displays. Miss Nelson expressed her regret for judging too severely and hoped that everyone would enter articles again, in spite of their discouragement at this time.
